Important Safety information for Contact Lens Wearers: ACUVUE® Contact Lenses are available by prescription only for vision correction. An eye care professional will determine whether contact lenses are right for you. Although rare, serious eye problems can develop while wearing contact lenses. To help avoid these problems, follow the wear and replacement schedule and the lens care instructions provided by your eye care professional. Do not wear contact lenses if you have an eye infection, or experience eye discomfort, excessive tearing, vision changes, redness or other eye problems. If one of these conditions occurs, remove the lens and contact your eye care professional immediately. For more information on proper wear, care and safety, talk to your eye care professional and ask for a Patient Instruction Guide, call 1-800-267-5098 or download the [Patient Instruction Guide](#).

INSURANCE CLAIMS: IF YOU ARE PERSONALLY FILING A CLAIM for reimbursement from a third-party payer (e.g., insurance company, employer group, etc.) for the purchase of this product, your claim must be based upon your payment less the amount of all rebates received, including this rebate. IF YOUR EYE CARE PROFESSIONAL IS FILING THE CLAIM ON YOUR BEHALF, you must notify them to deduct this rebate amount from the purchase price used in calculating the claim.
